ABOUT CHÂTEAU DE LA CHAIZE

Château de La Chaize is a crown jewel of Beaujolais and classified as a French national heritage site due to its magnificent garden designed by André Le Nôtre, renowned landscape architect to King Louis XIV of France. All wines are made exclusively from estate vineyards and are proudly certified organic, starting with the 2022 Brouilly wines and Fleurie from 2023.

THE WINE

Located right behind the Château, this 22-hectare monopole lieu-dit gathers all the characteristics of a great terroir, boasting a south east exposure, steep slope, deep granitic soil, and old vines.

"Needs a moment in the glass for the forest-berry aromas to open up. Very minerally and smoky with plenty of forest-floor character. Stunning concentration and great elegance right through the extremely long and finely etched finish. Difficult to pull yourself away from this remarkable Brouilly. That this is only medium-bodied actually increases its appeal. Just a hint of blood oranges in the finish magnifies its freshness."
