## The Best Wine Gifts Any Wine Lover Will Appreciate

Wine lovers can be notoriously hard to shop for, as most have *very* strong opinions about everything from regions to vintages to varietals. Finding a wine gift that's impressive yet useful can be challenging, but it's certainly not impossible. In fact, there are plenty of wine gifts out there that are versatile enough to please a variety of wine lovers. To help you find the perfect present, we rounded up the best wine gifts our editors have tasted and tested. We also spoke to some leading experts in the wine industry to get their insights on the best gifts for wine lovers. Whether you're looking for a hostess gift to bring to your next dinner party or an excellent bottle to celebrate a special day, there's something here for everyone...

### [Gary Farrell Russian River Valley Chardonnay](#)

A food-friendly chardonnay is a welcome gift at any dinner party, and this full-bodied bottle from Gary Farrell is a crowd-pleaser. Perfect for pairing with fish, shellfish, chicken, or pasta, it's a great meal accompaniment that works any time of year. Even folks who aren't typically fans of chardonnay will appreciate the juicy acidity that's balanced with a creamy texture.
